Dear Davis,

Ok with the meetings with Nadtya and Jane.

Regarding Larry joining the meeting between Ken and Cristian, we finally agreed on August the 12th at 4 pm for such meeting.

"Otherwise, Cristina will meet Larry's boss in China" = to tell the truth, I don't know what are you talking about ... I might be missing some piece of info here ...

Respects,

That sounds fine. Once you and Ken determine a time for that meeting, perhaps Larry can join or host them both, if he's available. Otherwise, Cristina will meet Larry's boss in China.

Hi Davis,

Thanks a lot for your e-mail

You are right, Cristian Franz will be visiting Washington for the meetings on the Free Trade Agreement's Environmental Cooperation Commission on the 12th until the 14th of August. Sorry to hear you won't be in DC such days. But you will visit Valdivia, which isn't that bad at all! You will tell me then ...

He believes there is no need to bother Larry Starfield as he will be surely very busy during that time hosting Taiwan's ministerial delegation. And regarding Jane Nishida and Nadtya Hong from your International Office, provided they will attend the meetings on the Free Trade Agreement's Environmental Cooperation Commission, Cristian would be happy to meet them both there.

Best regards,

David,

I understand that Cristian Franz will be coming to Washington for the meetings on the Free Trade Agreement's Environmental Cooperation Commission the week I will be in Chile. Unfortunate timing! Would he like to meet any of his EPA counterparts? Jane Nishida and Nadtya Hong from our International Office will represent EPA at the meetings, but if Christian would like to meet Larry Starfield, one of our senior enforcement managers and INECE co-chair, I can check schedules. We are also hosting a ministerial delegation from Taiwan that same week, so the agenda is quite full.
